

COVID-19 ALERT LEVEL TWO SITE OPERATING INSTRUCTIONS

PLEASE READ CAREFULLY

We care about our staff, customers and community! To prevent any COVID-19 contamination and contact spread in order to continue being able to play golf and still have fun we have implemented the following:

- **Hole in One staff who are unwell are not permitted to work**
- **Promotion and practice of regular personal hygiene practices as recommended by the New Zealand Ministry of Health**
 - **Regular sanitisation of high contact points on site**
- **Automatic hand soap dispenser washing station set up at site for staff and customers to use**
 - **Hand sanitiser for staff and customers**
 - **Contactless Payment available on site**
 - **Safe social distancing queue management**

RULES BEFORE PLAY

- **Please listen and follow all instructions given by staff**
- **All customers are to hand sanitise or wash their hands before and after play**
- **Mandatory Contact Tracing Form to be filled in by all customers (parents to log children)**
 - **A maximum of two people per bay to share a bucket due to social distancing rules**
 - **Absolutely no spectators inside the Hole in One Site**
 - **Normal Hole in One Challenge rules still apply**
 - **Golf club & equipment sanitiser station set up, please read sign**
- **We have stopped providing golf gloves, you are welcome to wear your own**
 - **Please do not over crowd areas and keep safe distances**
- **Please cough or sneeze into your elbow or cover your mouth and nose with a tissue**

We thank you for your cooperation in assisting us to continue to operate a fun and safe business activity.
