

COVID-19 PROTECTION FRAME WORK— **RED** TRAFFIC LIGHTS

OPERATING INSTRUCTIONS

We care about our staff, customers and community!

To prevent any COVID-19 contamination and contact spread in order to continue being able to play golf and still have fun we have implemented the following:

- **Hole in One staff who are unwell are not permitted to work**
- **Promotion and practice of regular personal hygiene practices as recommended by the New Zealand Ministry of Health**
 - **Regular sanitisation of high contact points on site**
 - **Hand sanitiser for staff and customers**
 - **Contactless Payment available on site**
 - **Social distancing**
 - **Mandatory facemasks for staff**

RULES BEFORE PLAY

- **Mandatory "My Vaccine Passport" for all customers over the age of 12 years and 3 months**
- **Mandatory COVID-19 Scanner at site or use our contact tracing form to be filled in by all customers (parents to log children)**
 - **Please listen and follow all instructions given by staff**
 - **All customers are to hand sanitise their hands before and after play**
 - **A maximum of two people per bay to share a bucket due to social distancing rules**
 - **Maximum people in the site is set at 14 including staff**
 - **Absolutely no spectators inside the Hole in One Site**
 - **Normal Hole in One Challenge rules still apply**
 - **Golf club & equipment sanitiser station set up, please read sign**
 - **We have stopped providing golf gloves, you are welcome to wear your own**
 - **Please do not over crowd areas and keep safe distances**
 - **Please cough or sneeze into your elbow or cover your mouth and nose with a tissue**

We thank you for your cooperation in assisting us to continue to operate a fun and safe business activity.
